Get UN Resolution vs. US
on World Court

When US refused jurisdiction —

appeared that "int. law" is totally
voluntary, like vol. arbitration....

[Could it be made non-binding?

Should it — on aggression, terrorism, by
major states? Governor / politician? academic?
committee? think, ~~books~~
of ?...

(Cobland: law is to protect the
rich from the poor; Age: police force
Smith: plantation....) Butth: Copone
polystar: law is ~~for~~ to protect the
Ant. law: to help the strong
not to bully & exploit the weak;
to protect the strong from its
tendency/nipolar/addiction/corruption
(which masquerades as "charity")
to torture, oppress the weak, ...

[acquittal in CO case using Ant law defense:
weak indictment (lower standards of proof) — weak
than conviction in civil suit — or conviction — or conviction

Ch
Powell:

Both "strategic deterrence"
and "covert action"

(2) Were approaches in
parallel

(b) Both are substitutes for
big, expensive non-nuclear
war.

The early pressure for a
"coordinator of intelligence,
centralized..."

had to do with centrally
the distribution of ULTRA
materials (like Robert W. H. H. H.
study of Pearl Harbor)

This generated CIA.

dist. of "intell" (not
gathering, analysis: let alone
covert action.

over and over till we get
it right."

(2) [Church Committee]

- shield away from JFK revelations
because of C's Pans ambitions

[see my diary of cable
to Church on JFK/Diem]

- HAK got hearing called
off, in 1975 of Demetrios Papademos,
Tom Pappas (never subpoenaed)
+ Tasca; later, Goldwater
called off hearing before Intell
Comm.
